

9th European Workshop on Lipid Mediators

June 26-28th, 2024

**John McIntyre Conference Centre
The University of Edinburgh**

Organising committee:

**Mireille Alhouayek
Cristina López-Vicario
Sonia Rafferty
Gerard Bannenberg
Per-Johan Jakobsson
Giulio Muccioli
Xavier Norel
Adriano Rossi
Oliver Werz
Chengcan Yao**

Wednesday, June 26th

Educational SESSION: Bioactive Lipids in NC-IUPHAR

Sponsored SESSION the Global Organization for EPA and DHA Omega-3s GOED

Thursday, June 27th

Plenary Lecture 1: Joan Clària (Hospital Clinic, Barcelona, Spain)

Novel insights into the role of lipid mediators in chronic liver disease

SESSION 1. Lipid mediator pharmacology, incl. biosynthesis, receptors and druggability

SESSION 2. Lipid mediators in neuronal systems

SESSION 3. Bioactive lipids in infection

Friday, June 28th

Plenary lecture 2: Sarah Spiegel (Virginia Commonwealth University, VA, USA)

Sphingosine-1-Phosphate in Health and Diseases.

SESSION 4. Lipid mediators in nutrition and metabolic diseases

YOUNG INVESTIGATOR SESSION

SESSION 5. Top notch & latest advances in lipid mediators research
