## Wednesday, July 1st

### **Educational SESSION: Control at the Source in Lipid Biology**

- Thierry Durand (IFrance); Beatrix Suess (Germany); Dieter Steinhilber (Germany)

### **1st Sponsored SESSION: Lipid mediator analytics and biomarkers**

- Laura Bindila, Medical University Mainz (Germany)
- Ingela Lanekoff, Uppsala University (Sweden)

### **2nd Sponsored SESSION: The Lipidomics Research and Study Group (GERLI) Analytical challenges and clinical applications of oxylipins**

- Denise Biagini, University of Pisa (Italy)
- Craig Wheelock, Karolinska Institutet, Stockholm (Sweden)

## Thursday, July 2nd

**Opening Plenary Lecture** on Resolution and Regeneration: **Nan Chiang**, Brigham and Women's Hospital and Harvard Medical School, Boston (USA)

### **SESSION 1. Lipid mediators in Infection, inflammation and immunity**

- Julia Esser-von Bieren, Technical Univ. and Helmholtz Zentrum Munich (Germany)
- Jesmond Dalli, William Harvey Research Institute - Queen Mary Univ. of London (UK)

### **SESSION 2. Lipid mediator chemistry and molecular biology**

- Derek J. Taylor, Case Western Reserve University, Cleveland (USA)
- Martin Giera, Leiden University Medical Center, Leiden (Netherlands)

### **SESSION 3. Lipid mediators in cancer biology**

- Paola Patrignani, G. d'Annunzio" University Medical School, Chieti (Italy)
- Anna Martling, Karolinska Institutet & University Hospital, Stockholm (Sweden)

## Friday, July 3rd

**Plenary lecture** on endocannabinoids and dietary fatty acids: **Vincenzo Di Marzo**, ICB-CNR, (Italy) / Univ. Laval, Québec City (Canada)

### **SESSION 4. Dietary lipids and supplements**

- Robert Caesar, University of Gothenburg (Sweden)
- Regina Rodrigo, Principe Felipe Research Center (CIPF)

### **YOUNG INVESTIGATOR SESSION**

**3rd sponsored SESSION: COST EU RESOLVE** (Mauro Peretti, UK; ...TBA)

### **SESSION 5. Lipid mediators in cardiovascular and metabolic diseases**

- Philippe Gabriel Steg, Bichat Hospital, INSERM U1148, Paris (France)
- Magnus Bäck, Karolinska Institutet & Univ. Hospital, Stockholm (Sweden); INSERM U1116, Nancy (France)

**31 Talks selected from the submitted abstracts and Poster sessions**
